Company: TALENTKOMPASS deutschland

Location: Morocco

Category: computer-and-mathematical

LOCATION: Remote Work

SCHEDULE: Part-time

Are you a budding frontend developer seeking an exceptional opportunity to gain hands-on experience while working with a prestigious Management Consulting firm? TalentKompass Deutschland, a leading Human Resources company based in Germany, is searching for a highly motivated Frontend Development Intern to join our esteemed client. This remote position offers a unique chance for someone who is passionate about web development and eager to learn in a dynamic and fast-paced environment.

As a Frontend Development Intern, you will work closely with the development and consulting teams, where you will be responsible for a range of tasks, including coding, debugging, and collaborating on innovative web solutions. You will have the extraordinary opportunity to learn from experienced professionals who will provide mentorship and guidance throughout the internship. With this internship, you will gain valuable experience in frontend development, web design, and teamwork – all essential skills for a successful career in this field.

Responsibilities:

Assist in the development, testing, and maintenance of web applications using HTML, CSS, and JavaScript

Collaborate with cross-functional teams to gather requirements and design user interfaces

Debug and troubleshoot frontend issues, ensuring optimal performance and user experience

Implement responsive web design principles to ensure applications render well on various devices and screen sizes

Adhere to coding best practices and maintain code quality

Participate in code reviews and contribute to the improvement of development processes

Support the team with general administrative tasks as needed

Requirements:

Basic understanding of web development principles and practices

Familiarity with HTML, CSS, and JavaScript

Excellent written and verbal communication skills in English

Ability to work independently and as part of a team

Strong organizational skills and the ability to manage multiple projects simultaneously

Knowledge of modern web development tools and frameworks, such as React or Angular, is a plus

Experience with version control systems, such as Git, is a plus
