Location: Morocco

Category: other-general

LOCATION: Remote Work

SCHEDULE: Part-time

Are you a budding graphic designer seeking a remarkable opportunity to gain hands-on experience while working with a prestigious Management Consulting firm? TalentKompass Deutschland, a leading Human Resources company based in Germany, is looking for a talented Graphic Design Intern to join our esteemed client. This remote position offers a unique chance for someone who is passionate about graphic design and eager to learn in a dynamic and fast-paced environment.

As a Graphic Design Intern, you will collaborate closely with the marketing and creative teams, where you will be responsible for a range of tasks, including designing digital and print materials, assisting in the development of branding concepts, and contributing to creative projects. You will have the extraordinary opportunity to learn from experienced professionals who will provide mentorship and guidance throughout the internship. With this internship, you will gain valuable experience in graphic design, branding, and teamwork – all essential skills for a successful career in this field.

Responsibilities:

Assist in creating visually appealing digital and print materials, such as brochures, social media graphics, and presentations

Help develop and maintain consistent branding across various marketing channels

Collaborate with the marketing and creative teams to contribute to creative projects

Provide support in the design and production of marketing materials for events and webinars

Participate in brainstorming sessions and contribute ideas for creative concepts

Support the team with general administrative tasks as needed

Ensure designs are aligned with brand guidelines and company objectives

Requirements:

Strong graphic design skills and a keen eye for detail

Excellent written and verbal communication skills in English

Familiarity with design principles and practices

Ability to work independently and as part of a team

Strong organizational skills and the ability to manage multiple projects simultaneously

Knowledge of web design and user experience (UX) principles is a plus

Familiarity with Adobe Creative Suite, including Photoshop, Illustrator or InDesign is a plus
