

Morocco Jobs Expertini®

Research Assistant - PFE 2025

[Apply Now](#)

Company: Oracle

Location: Morocco

Category: other-general

Are you eager to seize the opportunity to be at the forefront of cutting-edge technology and potentially secure an early interview for one of the most coveted technology positions in the world? If you are, then our internship program at Oracle Morocco R&D Center is tailor-made for you. **As part of Oracle's employment process candidates will be required to successfully complete a pre-employment screening process. This will involve identity and employment verification, professional references, education verification and professional qualifications and memberships (if applicable).**

Career Level - IC0

Immerse yourself in an extraordinary learning experience as you become part of Oracle, a globally recognized pioneer in hardware and software systems innovation. Collaborate with industry experts and seasoned veterans who possess a wealth of knowledge. Your valuable contributions will directly impact and enhance real Oracle products and services. Throughout your internship, you will forge valuable connections with professionals, managers, and executives, creating a powerful network that will propel your career forward.

At Oracle Morocco R&D Center, we uphold the highest standards in our employment process. As a result, candidates will undergo a comprehensive pre-employment screening procedure, which includes identity and employment verification, professional references, education verification, and assessment of professional qualifications and memberships (where applicable). This ensures that you will join a team of exceptional individuals committed to excellence.

*****Please submit your application with your English CV using a single email address.**

Multiple applications with different email addresses will not be considered.
